

## Rare Books at National Law School of India University Library

### Rare Books and Manuscripts

The Library's rare book collections are internationally relevant and include many books found nowhere else.

What is a rare book? We have adopted the following yard-sticks to determine the rare books;

Printed on or before 1950;

Only known to exist in a few copies;

Found to have important manuscript annotations or marks of former ownership (provenance);

In very fine or contemporary condition, e.g. in an original binding
