## NLSAT 2022: FINAL ANSWER KEY NOTIFICATION – PART A

- The provisional Answer Key for Part A of the NLSAT 2022 was released on the admissions portal for the NLSAT at 9 pm on April 24, 2022. Candidates were provided 24 hours to raise objections, if any, to the answer key using a link on the admissions portal. The link was kept open from 9 pm on April 24, 2022 to 9 pm on April 25, 2022.
- Objections raised by candidates to the answer key were referred to a three-member subject-matter experts committee (“Objections Committee”). The Objections Committee reviewed the answers, and the rationale for the answers provided by the paper setters, as well as the suggested answers, and rationale provided by candidates who had raised objections.
- The “Objections Committee”, after due consideration, affirmed the answers provided by the paper setters (for the questions where objections were raised). Consequently, the provisional answer key released on April 24, 2022 is affirmed, and shall be considered as the final answer key. The answer key is available on the admissions portal for the NLSAT. Evaluation of Part A of the paper shall be done on the basis of this answer key.
