

# Faculty Offices at NLSIU

## Pre-Fab quick install semi-permanent office facility

### National Law School of India University (NLSIU)

The National Law School of India University (NLSIU) is the premier Law school in India. NLSIU's 23-acre campus at Nagarabhavi, Bangalore is housed in the Bangalore University Campus. The NLSIU advances shift in the field of legal education, by enhancing the standards of curricular and social experiences within the campus, enabling digitization of academic and research resources and setting up research centres for a more inclusive, progressive and innovative approach to legal education.

To meet its current expansion needs, NLSUI has created a master plan for redevelopment of NLSIU campus. Masterplan includes studying the existing infrastructure at the campus and proposes improvements to the same with a clear future vision of development. The design proposal aims to achieve a comprehensive urban design scheme through urban design strategy and services inputs

While, the masterplan is under execution, the university urgently needs to provision space to accommodate increase in faculty headcount. At this time university is considering building quick fabrication space to serve this Expansion.

### Requirement

The university faculty consists of Professors, Associate Professors and Assistant Professors. Apart from that, there are Research Associates who are associated with Faculty and work closely with them. The proposed space

- Should accommodate ~50 faculty members in reasonable sized cubicles. The cubicles should be capable of being configured for seating 1 or 2 members of faculty based on seniority.
- Should provide seating space outside the cubicles for ~25 Research staff
- Should provide optimal number of gender neutral Rest rooms
- Should provide two small meeting rooms that can seat 6-8 people
- Should provide electrical connections for fan, light and laptop charging – no A/C

### Site for Faculty Offices

As the university is not looking for permanent (concrete) constructions, the proposed office space can be set-up on roof top of current structures or an empty ground area in campus which can connect to utilities. Two possible roof tops are

- Old Academic Block
- Training Centre

Based on space availability the requirements can be changed accordingly.

### Timelines

The faculty offices need to be ready by March 2023.
