### CLAIM SUBMISSIONS

**Introduction** 

- 1. Attached to these Claim Submissions is a bundle of supporting copy documents to which reference is made herein in the form [C/page X].
- 2. The Owners' claim is for an apportionment pursuant to the ICA in respect of 100% of their liability, as further described below, to Beaver Commodities Ltd ("Beaver Commodities") and their insurers, Iguana Insurance Ltd ("Iguana Insurance"), and in respect of all of their legal, Club correspondents' and/or experts' costs incurred, alternatively an indemnity to the same extent. In that regard:
  - a. the Supreme People's Court of the People's Republic of China found Owners liable in a total amount equivalent to approximately US\$6m; and

b. the Owners have incurred costs of approximately US\$700,000 [C/pp.1-7].

#### **The Charterparty**

3. At all material times the Owners were the bareboat charterers of the vessel "CHEETAH PRINCE", a conventionally designed Cape size gearless bulk carrier with a gross tonnage of 43,501 and net tonnage of 27,819, ("the Vessel"). The Vessel is constructed with seven cargo holds and hatches situated forward of the engine room and accommodation.

#### 4. At all material times:

- The registered owners of the Vessel were Dragon Shipping Limited ("Dragon");
   and
- b. Ram Steamship Co. Limited ("Ram") was the commercial operator of the Vessel, acting as agent for and on behalf of the Owners.
- 5. By a time charterparty contained in or evidenced by a fixture recap dated 1 April 2020 [C/pp.8] ("the Charterparty") the Owners, through Ram acting as agent for and on their behalf, time chartered the Vessel to the Charterers for a time charter trip "VIA ESCA TO FAR EAST". The Charterparty, to which the Owners shall refer as may be necessary for its full terms, meaning and effect, incorporated the terms of a prior charterparty dated 8 January 2020 on an amended NYPE 1946 form with rider clauses [C/pp.9-18] and therefore provided inter alia as follows:

#### "Clause 43 - NYPE Inter-Club Agreement:

Liabilities for cargo claim shall be borne by the Owners and the Charterers in accordance with NYPE Inter-Club Agreement 1996 or latest updated version."

6. Further or alternatively, by reason of the Charterers' liberty to instruct the Vessel as to her employment and agency (per clause 8 of the incorporated NYPE 1946 form) and in any event as a matter of law it was an implied term of the Charterparty that the Charterers would indemnify the Owners against any loss or damage suffered, or liability incurred, as a result of the Owners complying with those instructions, save where the Owners agreed to bear the loss, damage or liability in question ("the Implied Indemnity").

#### **Hold Preparation**

- 7. Pursuant to the Charterparty and the Charterers' instructions, the Vessel proceeded to Brazil and Argentina for loading of a cargo of soya beans in bulk, as set out below.
- 8. Whilst on passage, each of the cargo holds was thoroughly cleaned.
- 9. Once cleaning was completed, the weather tightness of all of the holds was verified by:
  - a. closing and securing the hatch covers, ventilators and access hatches to each hold, and checking that there was no daylight visible from inside;
  - b. directing a fire hose at all hatch, ventilator and access seals while checking for any sign of ingress; and
  - c. pressing up the double bottom ballast tanks in turn to check there was no leakage through the manholes in the tank top into the cargo holds, which there was not.

#### Loading at Rio Grande

- 10. Pursuant to the Charterparty and the Charterers' instructions, the Vessel proceeded to Rio Grande for loading of a part cargo of soya beans in bulk, arriving there on 1 May 2020, and anchored in the Roads. Notice of Readiness was tendered at 08:00 LT [C/pp.19]. At 07:24 LT on 20 May 2020 the Vessel arrived alongside Pier No. 6/7 in readiness to start loading.
- 11. Surveyors from Elements S.A. ("**Elements**") boarded on 20 May 2020 to carry out hold inspections and a draft survey. The Vessel was to be loaded in No's 1, 3, 4 and 6 cargo holds, each of which was duly jointly inspected by the surveyor and Chief Officer. Upon completion of the inspection, the crew covered the bilge well grating with hessian sacking, which was then taped into place to the satisfaction of the surveyor.
- 12. Hold Approval Certification was issued at 09:00 LT, following which a joint draft survey was undertaken [C/pp.20].
- 13. Between 20 and 27 May 2020, a total of 40,000 mt (calculated by reference to the joint survey) of soya beans in bulk was loaded in holds 1, 3, 4 and 6 ("the Rio Grande Cargo") and a Bill of Lading no.1 [C/pp.21-22] was issued in respect thereof.

14. The Statement of Facts at Rio Grande is attached at [C/pp.23-24].

#### **Loading at Buenos Aires**

- 15. Pursuant to the Charterparty and the Charterers' instructions, the Vessel then proceeded to Buenos Aires, arriving at the Outer Anchorage at 21:36 LT on 28 May 2020, but awaited the availability of a loading berth until 4 June 2020.
- 16. The Vessel was attended by two surveyors from Nautical Insights S.A. to carry out the draft survey, and surveyors from Harbour Consultants S.A. to inspect No's 2, 5 and 7 cargo holds where the balance of cargo was to be loaded. As in Rio Grande, as each cargo hold was passed the crew covered the bilge gratings with hessian sacking and secured it with tape under the Chief Officer's and surveyors' supervision. At 12:00 LT the cargo holds were passed and a Hold Approval Certificate issued [C/pp.25].
- 17. Between 4 and 5 June 2020, a further quantity of 30,000 mt of soya beans in bulk was loaded in holds 2, 5 and 7 ("the Buenos Aires Cargo") and a Bill of Lading no.2 [C/pp.26-27] was issued in respect thereof, such that there was a total loaded including the Rio Grande of 70,000 mt ("the Cargo").
- 18. The Cargo was fumigated using fumigant in the form of tablets that were inserted into a pipe arrangement, and then laid on the surface of the cargo.
- 19. The Statement of Facts at Buenos Aires is attached at [C/pp.28-29].
- 20. Following the completion of fumigation, all hatches were closed, secured and sealed, and tape was stuck over the joint of every hatch where the two hatch lids met. The screwdown vents on top of the mushroom cowls above the hold access trunking were also closed.

#### The Sea Passage

- 21. The weather was generally benign throughout the voyage.
- 22. On 11 July 2020, the hatches were opened and the Cargo was inspected. The Cargo loaded in Rio Grande displayed signs of discolouration and/or mould and/or self-heating, whereas the Cargo loaded in Buenos Aires was in good condition. The following was

#### observed:

- a. The Cargo in Holds 1, 3, 4 and 6 appeared to be discoloured and/or mouldy and/or significantly warmer than the ambient temperature of the hold. Hold 1: the surface of the Cargo was noted to be slightly discoloured.
- b. The Cargo in holds 2, 5 and 7 appeared to be in good order and condition.
- 23. The Master immediately contacted the Charterers by email to inform them of the situation [C/pp.30].

#### 24. On 12 July 2020:

- a. the temperature above the surface of the Cargo in No's 2, 5 and 7 holds (loaded in Buenos Aires) was about 32°C which was the approximate ambient temperature in the holds;
- b. the temperature above the surface of the Cargo in No's 1, 3 and 4 holds was 32°C to 35°C, that above the surface in No. 6 hold was 38°C; and
- c. higher temperatures were measured within the stow, between 55°C and 73°C, and the soya beans were observed to be brown colour.
- 25. All vents to No's 1, 3, 4 and 6 hatch covers were closed, and remained closed until the Vessel arrived at Xiamen. Surface temperatures of the cargo continued to be checked daily by lowering thermometers through the temperature measuring access holes in the deck above each cargo hold.

#### Damage apparent during discharge

- 26. The Vessel arrived at Xiamen on 20 July 2020 and discharged Cargo from No's 2, 5 and 7 holds. The other holds, containing discoloured and heating Cargo, were kept closed with all vents sealed shut. The Statement of Facts at Xiamen is attached at [C/pp.31].
- 27. The Vessel subsequently sailed from Xiamen on 22 July 2020, after discharging about 30,000 mt of Cargo from Holds 2, 5 and 7, and arrived at Shanghai in the early hours of 25 July 2020. No's 1, 3, 4 and 6 holds were opened later that morning for an inspection

by inspectors from the PRC Government's Agriculture Authority, CIQ. As No's 1, 3, 4 and 6 hatches were opened it was noticed that water poured onto the deck from the underside of the hatch covers (the undersides of No's 2, 5 and 7 hatch covers were, by contrast, dry).

- 28. During discharge it was noted that the Cargo in Holds 1, 3, 4 and 6 was variously damaged by discolouration and/or caking and/or mould and elevated temperatures were recorded of up to 72°C.
- 29. CIQ determined that [C/pp.32]:
  - a. 10,000 mt was "slightly damaged";
  - b. 5,000 mt was severely damaged; and
  - c. 3,000 mt was effectively "destroyed".

#### **PRC** proceedings

- 30. On 2 September 2020, Beaver Commodities issued a claim against the Owners and Dragon before the Shanghai Maritime Court in respect of the damaged Cargo pursuant to Bill of Lading no.1. It is understood that Iguana Insurance made payment of an insurance indemnity to Beaver Commodities, and joined the proceedings as co-plaintiff. As a result, the claim by Beaver Commodities was for RMB 700,000 and interest, and the claim by Iguana Insurance was for RMB 30,000,000 and interest.
- 31. The Owners and Dragon defended the claim, but on 31 August 2022, the Shanghai Maritime Court rendered its Judgment, and held the Owners liable for RMB 30,000,000 with interest to Iguana Insurance, and RMB 700,000 with interest to Beaver Commodities.
- 32. Both Iguana Insurance and the Owners instituted an appeal to the PRC Appeal Court. On 12 October 2023, the Court rendered its Judgment, confirming that the Owners were held liable for the Cargo damage, including the finding that the (i) Owners had not proved that the damage resulted from inherent vice in the Rio Grande Cargo; (ii) on the balance of probabilities, the Rio Grande Cargo was damaged after it had been loaded onto the Vessel; and therefore, (iii) Owners were liable in contract and/or bailment for the damage

sustained to the Rio Grande Cargo.

- 33. The Owners appealed to the PRC Supreme Court. The appeal was dismissed by Supreme Court ruling in June 2024.
- 34. Costs of approximately US\$ 700,000 [C/pp.1-7] have been incurred in defending the PRC proceedings.

#### **The Interclub Agreement**

35. Pursuant to the Charterparty, liabilities in respect of cargo claims were to be borne by the Owners and the Charterers in accordance with the Interclub Agreement 2011 ("the ICA"), which provides as follows:

#### "Scope of application

...

- (3) For the purposes of this Agreement, Cargo Claim(s) mean claims for loss, damage, shortage (including slackage, ullage or pilferage), overcarriage of or delay to cargo including customs dues or fines in respect of such loss, damage, shortage, overcarriage or delay and include:
  - (a) any legal costs claimed by the original person making any such claim;
  - (b) any interest claimed by the original person making any such claim;
  - (c) all legal, Club correspondents' and experts' costs reasonably incurred in the defence of or in the settlement of the claim made by the original person, but shall not include any costs of whatsoever nature incurred in making a claim under this Agreement or in seeking an indemnity under the charterparty.

...

(4) Apportionment under this Agreement shall only be applied to Cargo Claims where:

..

(c) the claim has been properly settled or compromised and paid.

- -

#### The apportionment

- (7) The amount of any Cargo Claim to be apportioned under this Agreement shall be the amount in fact borne by the party to the charterparty seeking apportionment, regardless of whether that claim may be or has been apportioned by application of this Agreement to another charterparty.
- (8) Cargo Claims shall be apportioned as follows:

...

(b) Claims in fact arising out of the loading, stowage, lashing, discharge, storage or other handling of cargo:

100% Charterers

..

(d) All other cargo claims whatsoever (including claims for delay to cargo): 50% Charterers

50% Owners

unless there is clear and irrefutable evidence that the claim arose out of the act or neglect of the one or the other (including their servants or subcontractors) in which case that party shall then bear 100% of the claim."

- 36. The cause of the claim advanced against the Owners in the PRC was the inherent characteristics and/or vice of the Cargo, in that large parts of the Cargo loaded in Rio Grande in holds nos. 1, 3, 4 and 6 were in a microbiologically unstable condition when loaded, and therefore liable to result in mould growth and/or caking and/or associated heating and/or discolouration, as in fact occurred.
- 37. The Owners will adduce expert evidence in due course but, pending the same, will rely upon:
  - a. the pattern of damage described above, which evidences the development of mould, caking, self-heating and discolouration inside the Cargo stow;
  - b. the fact that the holds and hatches were watertight, and that there was no water ingress into the holds; and
  - c. the fact that the Rio Grande Cargo developed mould, caking, self-heating and discolouration, but the Buenos Aires Cargo did not.

- 38. By reason of the matters aforesaid, the amounts at paragraphs 31 to 34 above fall to be apportioned pursuant to the ICA 100% to the Charterers:
  - a. pursuant to paragraph (8)(b) of the ICA, the Charterers having loaded the Cargo, which was microbiologically unstable, and/or liable to the development of mould and/or caking and/or self-heating and/or caking, and which caused the claim; and
  - b. further or alternatively, pursuant to paragraph (8)(d) of the ICA, there being clear and irrefutable evidence that the claim arose out of the act or neglect of the Charterers, namely the Charterers' act in loading the Cargo, which was microbiologically unstable (etc.) as set out above.
- 39. Alternatively, the amounts at paragraphs 31 to 34 above fall to be apportioned 50% to the Charterers pursuant to paragraph (8)(d) of the ICA.

#### 40. In the premises:

- a. the Owners have become entitled to recover to the extent of the appropriate apportionment in respect of the amounts paid to Beaver Commodities and Iguana Insurance set out at paragraph 31 above; and
- b. the Owners have become entitled to recover to the extent of the appropriate apportionment in respect of all legal and/or Club correspondents' and/or experts' costs incurred as set out at paragraph 34 above.

#### 41. In the premises, the Owners are entitled to declarations that:

- a. they are entitled to recover 100% (alternatively 50%) from the Charterers in respect of the amounts paid to Beaver Commodities and Iguana Insurance set out at paragraph 31 above; and
- b. they are entitled to recover to the same proportion in respect of all legal and/or Club correspondents' and/or experts' costs incurred as set out at paragraph 34 above.

#### 42. Further or alternatively:

a. the Owners are entitled to be indemnified pursuant to the Implied Indemnity in

respect of all loss, damage and liability incurred as a result of their compliance with the Charterers' orders to load and/or carry and/or discharge the Rio Grande Cargo; and

- b. the Owners are entitled to a declaration to that effect.
- 43. Further, the Owners claim compound interest with quarterly rests, alternatively simple interest, at a commercial rate, pursuant to section 49 of the Arbitration Act 1996 for such period as the Tribunal may consider to be just.

#### AND the Claimant Claims:

- (1) Declarations that:
  - a. they are entitled to recover 100% (alternatively 50%) from the Charterers in respect of the amounts paid to Beaver Commodities and Iguana Insurance set out at paragraph 31 above; and
  - b. they are, entitled to recover to the same proportion in respect of all legal and/or Club correspondents' and/or experts costs incurred as set out at paragraph 34 above.
- (2) Further or alternatively, a Declaration that they are entitled to be indemnified pursuant to the Implied Indemnity in respect of all loss, damage and liability incurred as a result of their compliance with the Charterers' orders to load and/or carry and/or discharge the Rio Grande Cargo.
- (3) Payment in respect of the appropriate proportion of legal and/or Club correspondents' and/or experts' costs incurred by the Claimants, alternatively payment of an indemnity in respect thereof.
- (4) Interest pursuant to section 49 of the Arbitration Act 1996 as aforesaid in respect of all sums due.
- (5) Costs.

Owners shall have sole responsibility for responding to the Pollution Incident as may be required of the vessel interests by applicable law or regulation.

- (b) Without prejudice to the above, as between the parties it is hereby agreed that:
  - (i) Owners shall indemnify, defend and hold Charterers harmless in respect of any liability for criminal fine or civil penalty arising out of or in connection with a Pollution Incident, to the extent that such Pollution Incident results from a negligent act or omission, or breach of this Charter party by Owners, their servants or agents,
  - (ii) Charterers shall indemnify, defend and hold Owners harmless in respect of any liability for criminal fine or civil penalty arising out of or in connection with a Pollution Incident, to the extent that such Pollution Incident results from a negligent act or omission, or breach of this Charterparty by Charterers, their servants or agents,
    - provided always that if such fine or penalty has been imposed by reason wholly or partly of any fault of the party seeking the indemnity, the amount of the indemnity shall be limited accordingly and further provided that the law governing the Charterparty does not prohibit recovery of such fines.
  - (iii) The rights of Owners and Charterers under this clause shall extend to and include an indemnity in respect of any reasonable legal costs and/or other expenses incurred by or awarded against them in respect of any proceedings instituted against them for the imposition of any fine or other penalty in circumstances set out in paragraph (b), irrespective of whether any fine or other penalty is actually imposed.
- (c) Nothing in this Clause shall prejudice any right of recourse of either party, or any defences or right to limit liability under any applicable law.
- (d) Charterers shall procure that this Clause be incorporated into all sub-charters and contracts of carriage issued pursuant to this Charterparty.

#### Clause 36 - BIMCO Stowaways Clause for Time Charter Parties

- (a) If stowaways have gained access to the Vessel by means of secreting away in the goods and/or containers or by any other means related to the cargo operation, this shall amount to breach of charter. The Charterers shall be liable for the consequences of such breach and hold the Owners harmless and keep them indemnified against all claims; costs (including but not limited to victualling costs for stowaways whilst on board and repatriation); losses; and fines or penalties, which may arise and be made against them. The Charterers shall, if required, place the Owners in funds to put up bail or other security. The Vessel shall remain on hire for any time lost as a result of such breach.
- (b) Save for those stowaways referred to in sub-clause (a), if stowaways have gained access to the Vessel, all expenses, including fines or penalties, shall be for the Owners' account and the Vessel shall be off hire for any time lost.

#### Clause 37 - Law and Arbitration Clause

This Contract shall be governed by and construed in accordance with English law and any dispute arising out of or in connection with this Contract shall be referred to arbitration in London in accordance with the Arbitration Act 1996 or any statutory modification or reenactment thereof save to the extent necessary to give effect to the provisions of this Clause. The seat of the arbitration shall be London, even where the hearing takes place outside England.

The arbitration shall be conducted in accordance with the London Maritime Arbitrators Association (LMAA) Terms current at the time

when the arbitration proceedings are commenced.

The reference shall be to three arbitrators, one to be appointed by each party and the third, subject to the provisions of the LMAA Terms, by the two so appointed. A party wishing to refer a dispute to arbitration shall appoint its arbitrator and send notice of such appointment in writing to the other party requiring the other party to appoint its own arbitrator within 14 calendar days of that notice and stating that it will appoint its arbitrator as sole arbitrator unless the other party appoints its own arbitrator and gives notice that it has done so within the 14 days specified. If the other party does not appoint its own arbitrator and give notice that it has done so within the 14 days specified in the notice, the party referring a dispute to arbitration may, without the requirement of any further prior notice to the other party, appoint its arbitrator as sole arbitrator and shall advise the other party accordingly. The award of a sole arbitrator shall be binding on both parties as if the arbitrator had been appointed by agreement.

Nothing herein shall prevent the parties agreeing in writing to vary these provisions to provide for the appointment of a sole arbitrator.

In cases where neither the claim nor any counterclaim exceeds the sum of US\$100,000 (or such other sum as the parties may agree) the arbitration shall be conducted in accordance with the LMAA Small Claims Procedure current at the time when the arbitration proceedings are commenced.

In cases where the claim or any counterclaim exceeds the sum agreed for the LMAA Small Claims Procedure and neither the claim nor the counterclaim exceeds the sum of US\$400,000 (or such other sum as the parties may agree) the parties may further agree that the arbitration shall be conducted in accordance with the LMAA Intermediate Claims Procedure current at the time when the arbitration proceedings and commenced. Where the reference is to three arbitrators the procedure for making appointments shall be in accordance with the procedure for full arbitration stated above.

#### Clause 38 - Hire Payment/Bank Account

To be advised by Owners no later than five (5) business days before the first due date for payment by Charterers of hire.

#### Clause 39 - Liberty and Deviation

- (a) The Vessel shall have liberty to sail with or without pilots, to tow or go to the assistance of vessels in distress, to deviate for the purposes of saving life or property, and for any other reasonable purpose, which term shall include but not be limited to calling at any port or place for bunkers; taking on board spares, stores or supplies; repairs to the vessel necessary for the safe continuation of the voyage; crew changes; landing of stowaways; medical emergencies and ballast water exchange.
- (b) If the Charterers requests any deviation for the Charterers' purposes and the Owners consent, such consent to be at the absolute discretion of the Owners, the Charterers shall indemnify the Owners against any and all claims whatsoever brought by the owners of the cargo and/or the holders of Bills of Lading against the Owners by reason of such deviation.
- (c) Prior to giving any such consent the Owners may, at their option, require to be satisfied amongst other things that the Charterers has sufficient and appropriate P&I Club cover and/or if necessary, other additional insurance cover, in respect of such a requested deviation.
- (d) This Clause shall be incorporated into any sub-charter and any bill of lading issued pursuant hereto

#### Clause 40 - Clause Paramount

("the Hague Rules") as amended by the Protocol signed at Brussels on 23 February 1968 ("the Hague-Visby Rules") and as enacted in the country of shipment shall apply to this charterparty. When the Hague-Visby Rules are not enacted in the country of shipment, the corresponding legislation of the country of destination shall apply, irrespective of whether such legislation may only regulate outbound shipments.

When there is no enactment of the Hague-Visby Rules in either the country of shipment or in the country of destination, the Hague-Visby Rules shall apply to this Contract save where the Hague Rules as enacted in the country of shipment or if no such enactment is in place, the Hague Rules as enacted in the country of destination apply compulsorily to this Contract.

This clause shall also be incorporated into all bills of lading issued hereunder.

#### Clause 41 - Trading Exclusions

The vessel shall only be permitted to call at the ports/berths agreed between Owners and Charterers. The vessel shall be employed for lawfully worldwide trading between safe port(s), safe berth(s) and safe anchorage(s) where she may safely lie, always afloat, always accessible, and always within Institute Warranty Limits.

The vessel shall not be employed for any place where being traded to is prohibited by the country of the vessel's registry and/or the country of the Owners' incorporation, as well as Angola (including Cabinda), Cambodia, Democratic Republic of Congo, Colombia, Cuba, Eritrea, Haiti, Iraq, Israel, Lebanon, Liberia, Libya, North Korea, Oman, Sierra Leone, Sri Lanka, Somalia, Sudan, Syria, Russia and Ukraine.

#### Clause 42 - Vessel's Class

Owners to maintain the Vessel classed by Kruger B.D. or equivalent for the whole period of this Charter.

#### Clause 43 - ICA Clause

Liabilities for cargo claim shall be borne by the Owners and the Charterers in accordance with NYPE Inter-Club Agreement 1996 or latest updated version.

#### Clause 44 - Certificates

Throughout the period of the charter vessel will have on board all necessary certificates to enable the vessel and her crew to carry the cargoes and trade within the trading limits allowed under this charter.

#### Clause 45 - BIMCO War Risks Clause for Time Chartering 2013 (CONWARTIME 2013)

- (a) For the purpose of this Clause, the words:
  - (i) "Owners" shall include the shipowners, bareboat charterers, disponent owners, managers or other operators who are charged with the management of the Vessel, and the Master; and
  - (ii) "War Risks" shall include any actual, threatened or reported:

war, act of war, civil war or hostilities; revolution; rebellion; civil commotion; warlike operations; laying of mines; acts of piracy and/or violent robbery and/or capture/seizure (hereinafter "Piracy"); acts of terrorists; acts of

hostility or malicious damage; blockades (whether imposed against all vessels or imposed selectively against vessels of certain flags or ownership, or against certain cargoes or crews or otherwise howsoever), by any person, body, terrorist or political group, or the government of any state or territory whether recognised or not, which, in the reasonable judgement of the Master and/or the Owners, may be dangerous or may become dangerous to the Vessel, cargo, crew or other persons on board the Vessel.

- (b) The Vessel shall not be obliged to proceed or required to continue to or through, any port, place, area or zone, or any waterway or canal (hereinafter "Area"), where it appears that the Vessel, cargo, crew or other persons on board the Vessel, in the reasonable judgement of the Master and/or the Owners, may be exposed to War Risks whether such risk existed at the time of entering into this Charter Party or occurred thereafter. Should the Vessel be within any such place as aforesaid, which only becomes dangerous, or may become dangerous, after entry into it, the Vessel shall be at liberty to leave it.
- (c) The Vessel shall not be required to load contraband cargo, or to pass through any blockade as set out in Sub-clause (a), or to proceed to an Area where it may be subject to search and/or confiscation by a belligerent.
- (d) If the Vessel proceeds to or through an Area exposed to War Risks, the Charterers shall reimburse to the Owners any additional premiums required by the Owners' insurers and the costs of any additional insurances that the Owners reasonably require in connection with War Risks.
- (e) All payments arising under Sub-clause (d) shall be settled within fifteen (15) days of receipt of Owners' supported invoices or on redelivery, whichever occurs first.
- (f) If the Owners become liable under the terms of employment to pay to the crew any bonus or additional wages in respect of sailing into an Area which is dangerous in the manner defined by the said terms, then the actual bonus or additional wages paid shall be reimbursed to the Owners by the Charterers at the same time as the next payment of hire is due, or upon redelivery, whichever occurs first.
- (g) The Vessel shall have liberty:
  - (i) to comply with all orders, directions, recommendations or advice as to departure, arrival, routes, sailing in convoy, ports of call, stoppages, destinations, discharge of cargo, delivery, or in any other way whatsoever, which are given by the government of the nation under whose flag the Vessel sails, or other government to whose laws the Owners are subject, or any other government of any state or territory whether recognised or not, body or group whatsoever acting with the power to compel compliance with their orders or directions;
  - (ii) to comply with the requirements of the Owners' insurers under the terms of the Vessel's insurance(s);
  - (iii) to comply with the terms of any resolution of the Security Council of the United Nations, the effective orders of any other Supranational body which has the right to issue and give the same, and with national laws aimed at enforcing the same to which the Owners are subject, and to obey the orders and directions of those who are charged with their enforcement;
  - (iv) to discharge at any alternative port any cargo or part thereof which may expose the Vessel to being held liable as a contraband carrier;
  - (v) to call at any alternative port to change the crew or any part thereof or other persons on board the Vessel when there is reason to believe that they may be subject to internment, imprisonment, detention or similar measures.

- (h) If in accordance with their rights under the foregoing provisions of this Clause, the Owners shall refuse to proceed to the loading or discharging ports, or any one or more of them, they shall immediately inform the Charterers. No cargo shall be discharged at any alternative port without first giving the Charterers notice of the Owners' intention to do so and requesting them to nominate a safe port for such discharge. Failing such nomination by the Charterers within 48 hours of the receipt of such notice and request, the Owners may discharge the cargo at any safe port of their own choice. All costs, risk and expenses for the alternative discharge shall be for the Charterers' account.
- (i) The Charterers shall indemnify the Owners for claims arising out of the Vessel proceeding in accordance with any of the provisions of Sub-clauses (b) to (h) which are made under any bills of lading, waybills or other documents evidencing contracts of carriage.
- (j) When acting in accordance with any of the provisions of Sub-clauses (b) to (h) of this Clause anything is done or not done, such shall not be deemed a deviation, but shall be considered as due fulfilment of this Charter Party.

#### Clause 46 - Overtime

The vessel to work day and night if and when required by Charterers. Any overtime for Officers and/or crew to be for Owners' account.

- (a) The Hague Rules contained in the International Convention for the Unification of certain rules relating to Bills of Lading, dated Brussels the 25th August 1924 as enacted in the country of shipment, shall apply to this Bill of Lading. When no such enactment is in force in the country of shipment, the corresponding legislation of the country of destination shall apply, but in respect of shipments to which no such enactments are compulsorily applicable, the terms of the said Convention shall apply.
- (b) Trades where Hague-Visby Rules apply.

	Respondent/0	<u>Charterers</u>
DEFENCE SUBMISSIONS		

- 1. These are the defence submissions of the Respondent Charterers ("Charterers") to the claim submissions of the Claimant Owners ("Owners") served on 17 August 2024.
- 2. Except where otherwise indicated:
  - (1) Charterers adopt, but for convenience only, the abbreviations used in the claim submissions; and
  - (2) references in these defence submissions to paragraph numbers are to those in the claim submissions.
- 3. Accompanying these submissions is a bundle of documents, references to which shall be in the form [**D/page number**].

- 4. As to paragraph 2, the nature of Owners' claim is noted, but its validity is denied, for the reasons set out below.
- 5. Paragraph 3 and the particulars thereunder are not admitted save that the broad description of the Vessel is accurate.
- 6. Paragraph 4 is not admitted.
- 7. Paragraph 5 is admitted, save that no admission is made as to the capacity of Ram, or whether it was the "commercial operator" of the Vessel, or as to the true nature of the relationship between Ram and Owners, and thus whether the Charterparty was concluded with Owners as owners or with Ram, or otherwise.
- 8. Paragraph 6 is denied in that Owners' exclusive remedy in relation to any indemnification in relation to cargo claims was and is under the Inter-Club Agreement ("the ICA") as referred to in clause 43 of the Charterparty. The relevant version of the ICA was that of 1996 as amended in 2011.
- 9. Paragraph 7 is admitted.
- 10. Paragraphs 8 and 9 are not admitted.
- 11. Paragraphs 10 to 20 are admitted.
- 12. Paragraph 21 is not admitted.
- 13. As to paragraph 22:
  - (1) it is admitted that at some stage before arrival of the Vessel at the first discharge port and between about 11 and 15 July 2020, the cargo hatches were opened and the Cargo inspected. It is further admitted that signs of discolouration and/or mould and/or self-heating were reportedly seen in relation to the Rio Grande Cargo; and

- (2) otherwise the paragraph is not admitted.
- 14. Save that the email exhibited at p.30 to the Claim Submissions is admitted as a document, paragraph 23 is not admitted.
- 15. Paragraphs 24 and 25 are not admitted, not being within the knowledge of the Charterers.
- 16. Paragraph 26 is admitted.
- 17. As to paragraph 27
  - (1) the first two sentences are admitted;
  - (2) as to the third sentence it is admitted that on opening hatches numbered 1,3,4 and 6, condensation consistent with ship's sweat was evident on the underside of the hatch covers.
- 18. As to paragraph 28:
  - it is admitted that damage to the top/upper layers of the Cargo in holds 1, 3, 4 and 6 was noted; and
  - (2) no admission is made as to the precise nature or extent of the damage.
- 19. Paragraph 29 is admitted although, for the avoidance of doubt no admission is made as to the validity of the CIQ determination.
- 20. Paragraphs 30 to 33 are admitted.
- 21. Paragraph 34 is not admitted.

- 22. Paragraph 35 is admitted.
- 23. As recited in clause 4(c) of the ICA and in paragraph 35 of the claim submissions, apportionment under the ICA shall only be made where the claim has been properly settled or compromised and paid.
- 24. The bill of lading for the Rio Grande Cargo provided by a clause 1 thereof:

"All terms and conditions, liberties and exceptions of the Charter Party, dated as overleaf, including the Law and Arbitration Clause/Dispute Resolution Clause, are herewith incorporated"

- 25. Accordingly, the contract of carriage as contained in and/or evidenced by the bill of lading incorporated all terms and conditions, including the law and arbitration clause of
  - (1) the sub-Charter [**D/pp.1-7**]; or alternatively
  - (2) the Charterparty

both of which were expressly subject to English law and arbitration in London under the LMAA Terms.

- 26. In the premises both Beaver Commodities, who claimed under the bill of lading contract, and Iguana Insurance, who had a subrogated claim in respect thereof, expressly agreed with Owners that any claims under the bill of lading for cargo shortage and/or damage would be subject to resolution in London seated arbitration in accordance with the prevailing LMAA Terms.
- 27. A cargo claim is not properly compromised or settled within the meaning of clause 4(c) of the ICA unless the determination of it is made in the contractually agreed forum. Alternatively, it is not properly compromised or settled unless the party against whom it is made takes all reasonable efforts to ensure that it is so

determined.

- 28. The proceedings of the Chinese courts referred to in paragraphs 30 to 34 of the claim submissions were not in the contractual forum and were brought in breach of the bill of lading contract.
- 29. Furthermore, Owners made no efforts, let alone all reasonable efforts, to ensure that the claims were determined in arbitration in London and in accordance with English law. In particular:
  - (1) Owners could and should have commenced and prosecuted, but failed to commence and prosecute, arbitration proceedings in London against Beaver Commodities and Iguana Insurance seeking (i) a declaration of non-liability and (ii) damages for breach of the arbitration agreement incorporated into the contract of carriage evidenced by the bills of lading;
  - Owners failed to challenge jurisdiction in the Chinese proceedings on the basis that the claims were subject to arbitration;
  - (3) More significantly Owners could and should have brought proceedings in England for an anti-suit injunction which would have been granted and would have restrained Beaver Commodities and Iguana Insurance from proceeding with the Chinese proceedings; and
  - (4) Owners failed to bring such anti-suit proceedings, despite being advised and encouraged to do so by Charterers in emails passing between the Charterers' P&I Club and the Owners' P&I Club [D/pp.8-11].
- 30. If, as Owners contend, and Charterers accept, no causative breach of contract or duty on their part could be shown, then this would have been so found by an arbitration tribunal and Owners would have been under no liability in respect thereof, and the London seated tribunal would have awarded the Owners'

damages for breach of the arbitration agreement in such amount as the Chinese court gave judgment for, plus the amount spent by Owners as the reasonable costs of defending the Chinese proceedings.

- 31. The remainder of these submissions is without prejudice to Charterers' primary position that because of Owners' failure to fulfil condition 4(c) of the ICA, they are not entitled to claim any recovery from Charterers under the ICA or otherwise.
- 32. It is admitted as alleged at paragraphs 36 and 37 that the cause of the claim advanced against Owners was inherent vice or characteristics of the Rio Grande Cargo.
- 33. Paragraph 38 is denied. Further:
  - (1) in relation to sub-paragraph (a), even though the Rio Grande Cargo suffered from inherent vice, it is denied that that fact or the fact of the cargo being loaded in that condition brought the claim within paragraph 8 (b) of the ICA, which is concerned with the handling of the cargo in terms of its loading, stowage and so on, and not with the nature of the Rio Grande Cargo itself; and
  - in relation to sub-paragraph (b), it is denied that the condition of the cargo or the loading of it in such condition constituted act or neglect within the meaning of clause 8 (d) of the ICA.
- 34. As to paragraph 39, it is admitted and/or averred that if the claims are not to be borne 100% by Owners, for the reasons set out above in paragraph 34 above, Charterers are only liable to indemnify Owners for 50% of the amount in fact borne by Owners in respect of the claims pursuant to a legal liability.
- 35. For the reasons set out above paragraphs 40-42 are denied.
- 36. As to paragraph 43, if, which is denied, Owners have a valid claim for a principal

sum, no admission is made as to what if any interest Owners would also be entitled to.

37. Except as otherwise indicated in these submissions, each and every allegation in the claim submissions is denied. In any event it is denied that Owners are entitled to the relief claimed, or any relief.

Served this 14<sup>th</sup> September 2024 by Emu and Ostrich LLP, Solicitors to the Respondent.

- (a) The Vessel shall have liberty to sail with or without pilots, to tow or go to the assistance of vessels in distress, to deviate for the purposes of saving life or property, and for any other reasonable purpose, which term shall include but not be limited to calling at any port or place for bunkers; taking on board spares, stores or supplies; repairs to the vessel necessary for the safe continuation of the voyage; crew changes; landing of stowaways; medical emergencies and ballast water exchange.
- (b) If the Charterers requests any deviation for the Charterers' purposes and the Owners consent, such consent to be at the absolute discretion of the Owners, the Charterers shall indemnify the Owners against any and all claims whatsoever brought by the owners of the cargo and/or the holders of Bills of Lading against the Owners by reason of such deviation.
- (c) Prior to giving any such consent the Owners may, at their option, require to be satisfied amongst other things that the Charterers has sufficient and appropriate P&I Club cover and/or if necessary, other additional insurance cover, in respect of such a requested deviation.
- (d) This Clause shall be incorporated into any sub-charter and any bill of lading issued pursuant hereto

#### Clause 45 – BIMCO War Risks Clause for Time Chartering 2013 (CONWARTIME 2013)

- (a) For the purpose of this Clause, the words:
  - (i) "Owners" shall include the shipowners, bareboat charterers, disponent owners, managers or other operators who are charged with the management of the Vessel, and the Master; and
  - (ii) "War Risks" shall include any actual, threatened or reported:

war, act of war, civil war or hostilities; revolution; rebellion; civil commotion; warlike operations; laying of mines; acts of piracy and/or violent robbery and/or capture/seizure (hereinafter "Piracy"); acts of terrorists; acts of hostility or malicious damage; blockades (whether imposed against all vessels or imposed selectively against vessels of certain flags or ownership, or against certain cargoes or crews or otherwise howsoever), by any person, body, terrorist or political group, or the government of any state or territory whether recognised or not, which, in the reasonable judgement of the Master and/or the Owners, may be dangerous or may become dangerous to the Vessel, cargo, crew or other persons on board the Vessel.

- (b) The Vessel shall not be obliged to proceed or required to continue to or through, any port, place, area or zone, or any waterway or canal (hereinafter "Area"), where it appears that the Vessel, cargo, crew or other persons on board the Vessel, in the reasonable judgement of the Master and/or the Owners, may be exposed to War Risks whether such risk existed at the time of entering into this Charter Party or occurred thereafter. Should the Vessel be within any such place as aforesaid, which only becomes dangerous, or may become dangerous, after entry into it, the Vessel shall be at liberty to leave it.
- (c) The Vessel shall not be required to load contraband cargo, or to pass through any blockade as set out in Sub-clause (a), or to proceed to an Area where it may be subject to search and/or confiscation by a belligerent.
- (d) If the Vessel proceeds to or through an Area exposed to War Risks, the Charterers shall reimburse to the Owners any additional premiums required by the Owners' insurers and the costs of any additional insurances that the Owners reasonably require in connection with War Risks.
- (e) All payments arising under Sub-clause (d) shall be settled within fifteen (15) days of receipt of Owners' supported invoices or on redelivery, whichever occurs first.
- (f) If the Owners become liable under the terms of employment to pay to the crew any bonus or additional wages in respect of sailing into an Area which is dangerous in the manner defined by the said terms, then the actual bonus or additional wages paid shall be reimbursed to the Owners by the Charterers at the same time as the next payment of hire is due, or upon redelivery, whichever occurs first.
- (g) The Vessel shall have liberty:
  - (i) to comply with all orders, directions, recommendations or advice as to departure, arrival, routes, sailing in convoy, ports of call, stoppages, destinations, discharge of cargo, delivery, or in any other way whatsoever, which are given by the government of the nation under whose flag the Vessel sails, or other government to whose laws the Owners are subject, or any other government of any state or territory whether recognised or not, body or group whatsoever acting with the power to

compel compliance with their orders or directions;

- (ii) to comply with the requirements of the Owners' insurers under the terms of the Vessel's insurance(s);
- (iii) to comply with the terms of any resolution of the Security Council of the United Nations, the effective orders of any other Supranational body which has the right to issue and give the same, and with national laws aimed at enforcing the same to which the Owners are subject, and to obey the orders and directions of those who are charged with their enforcement;
- (iv) to discharge at any alternative port any cargo or part thereof which may expose the Vessel to being held liable as a contraband carrier;
- (v) to call at any alternative port to change the crew or any part thereof or other persons on board the Vessel when there is reason to believe that they may be subject to internment, imprisonment, detention or similar measures.
- (h) If in accordance with their rights under the foregoing provisions of this Clause, the Owners shall refuse to proceed to the loading or discharging ports, or any one or more of them, they shall immediately inform the Charterers. No cargo shall be discharged at any alternative port without first giving the Charterers notice of the Owners' intention to do so and requesting them to nominate a safe port for such discharge. Failing such nomination by the Charterers within 48 hours of the receipt of such notice and request, the Owners may discharge the cargo at any safe port of their own choice. All costs, risk and expenses for the alternative discharge shall be for the Charterers' account.
- (i) The Charterers shall indemnify the Owners for claims arising out of the Vessel proceeding in accordance with any of the provisions of Sub-clauses (b) to (h) which are made under any bills of lading, waybills or other documents evidencing contracts of carriage.
- (j) When acting in accordance with any of the provisions of Sub-clauses (b) to (h) of this Clause anything is done or not done, such shall not be deemed a deviation, but shall be considered as due fulfillment of this Charter Party.

#### Clause 46 - Law and Arbitration Clause

This Contract shall be governed by and construed in accordance with English law and any dispute arising out of or in connection with this Contract shall be referred to arbitration in London in accordance with the Arbitration Act 1996 or any statutory modification or re-enactment thereof save to the extent necessary to give effect to the provisions of this Clause. The seat of the arbitration shall be London, even where the hearing takes place outside England.

The arbitration shall be conducted in accordance with the London Maritime Arbitrators Association (LMAA) Terms current at the time when the arbitration proceedings are commenced.

The reference shall be to three arbitrators, one to be appointed by each party and the third, subject to the provisions of the LMAA Terms, by the two so appointed. A party wishing to refer a dispute to arbitration shall appoint its arbitrator and send notice of such appointment in writing to the other party requiring the other party to appoint its own arbitrator within 14 calendar days of that notice and stating that it will appoint its arbitrator as sole arbitrator unless the other party appoints its own arbitrator and gives notice that it has done so within the 14 days specified. If the other party does not appoint its own arbitrator and give notice that it has done so within the 14 days specified in the notice, the party referring a dispute to arbitration may, without the requirement of any further prior notice to the other party, appoint its arbitrator as sole arbitrator and shall advise the other party accordingly. The award of a sole arbitrator shall be binding on both parties as if the arbitrator had been appointed by agreement.

Nothing herein shall prevent the parties agreeing in writing to vary these provisions to provide for the appointment of a sole arbitrator.

In cases where neither the claim nor any counterclaim exceeds the sum of US\$100,000 (or such other sum as the parties may agree) the arbitration shall be conducted in accordance with the LMAA Small Claims Procedure current at the time when the arbitration proceedings are commenced.

In cases where the claim or any counterclaim exceeds the sum agreed for the LMAA Small Claims Procedure and neither the claim nor the counterclaim exceeds the sum of US\$400,000 (or such other sum as the parties may agree) the parties may further agree that the arbitration shall be conducted in accordance with the LMAA Intermediate Claims Procedure current at the time when the arbitration proceedings and commenced. Where the reference is to three arbitrators the procedure for making appointments shall be in accordance with the procedure for full arbitration stated above.

Dear Craig,

Thank you for your email below.

For avoidance of doubt, Charterers disagree with the position taken by Owners that an antisuit injunction would be "futile" in the circumstances.

If Owners intend to accede to the jurisdiction of the Shanghai Maritime Court, Charterers will have no choice but to reserve its rights with respect to any additional costs incurred as a result thereof, and whether the claim falls within the ICA and/or CP.

Charts' rights remain fully reserved.

Dear Craig,

Thank you for your emails below.

We will keep you apprised of developments to extent required by CP and/or ICA.

Owners have carefully considered the viability of bringing an anti-suit injunction against the cargo interests. However, and without waiver of privilege, the advice obtained from Chinese

qualified lawyers is that the Shanghai Maritime Court will maintain jurisdiction over the claim – such that it is futile bring anti-suit proceedings against cargo interests in England.

Trust above is of assistance.

In the meantime, we hereby remind you that Owners are under a duty to mitigate their losses and defend the claim to the fullest extent possible.

REPLY SUBMISSIONS	

- 1. In these Reply Submissions, references to paragraph numbers are references to the numbered paragraphs of the Defence.
- 2. Save insofar as it consists of admissions, and save as expressly admitted below, the Owners join issue with the Charterers on their Defence.
- 3. As to paragraph 8:
  - a. It is averred that the claim falls to be apportioned under the ICA as amended in 2011, as set out in the Claim Submissions.

- b. However, if which is denied, the ICA is not applicable for the reasons set out in paragraphs 27-31, or otherwise, then the Owners are entitled to be compensated pursuant to the Implied Indemnity.
- 4. Paragraph 23 is admitted.
- 5. As to paragraph 24, clause 1 was located on the reverse side of the bill of lading. Its terms are admitted.
- 6. As to paragraph 25:
  - a. The Sub-Charter is admitted as a document. However, the bill of lading did not identify the date of the Charter Party to which clause 1 referred.
  - b. As a matter of English law it is admitted that, notwithstanding the fact that no charterparty was specifically identified, it is likely that the law and arbitration clause of either the Sub-Charter or the Charterparty would have been held to have been incorporated, both of which were expressly subject to English law and London seated arbitration under the prevailing LMAA Terms.
- 7. Paragraph 26 is denied. The bill of lading at Rio Grande was issued to the shipper, Soya Sales S.A. There was no "express agreement" with either Beaver Commodities or Iguana Insurance.
- 8. Paragraph 27 is denied. Further or alternatively:
  - a. The ICA requirement that the claim has been "properly settled or compromised" applies where a claim has been settled or compromised (and therefore there is no final judgment).
  - b. In such circumstances, the ICA requires that the settlement is not an unreasonable settlement to have been entered into.

- c. If the settlement amount paid exceeds what would in all the circumstances have been a reasonable settlement amount, then the claimant is precluded from recovering in respect of the unreasonable excess.
- 9. As to paragraph 28, it is admitted that, as a matter of English law, it is likely that the contractual forum would have been held to be arbitration in London in accordance with the prevailing LMAA Terms.

#### 10. As to paragraph 29:

- a. It is admitted that, in response to the claims advanced by Beaver Commodities and Iguana Insurance, the Owners could in theory have:
  - 1) sought to challenge the jurisdiction of the PRC Courts; and/or
  - 2) instituted arbitration proceedings in London; and/or
  - 3) instituted proceedings in the High Court in England for an anti-suit injunction.
- b. A challenge to the jurisdiction of the PRC Courts would certainly have failed, and no admissions are made as to what would have been the outcome of arbitration proceedings and/or proceedings for an anti-suit injunction had the same been instituted. However, had such proceedings been successful it would not have been possible to enforce an arbitration award and/or anti-suit injunction or other judgment in PRC.
- c. The emails sent referred to in sub-paragraphs (4)(a) and (4)(b) are admitted.

- 11. The Vessel having been arrested at the behest of Beaver Commodities and/or Iguana Insurance in support of their claims, the Owners were placed in a position whereby they had to choose whether to contest and seek to defeat the claims in the PRC, or alternatively to contest jurisdiction. For the reasons set out below, the Owners chose the former option which was the better option in all the circumstances, alternatively the Owners acted reasonably in choosing it:
  - a. There was no prospect of successfully challenging the jurisdiction of the PRC Courts, which would have been a time consuming process. In particular, the PRC Courts will not uphold a law and arbitration clause in circumstances whereby:
    - 1) it has not been expressly agreed by the receiver (e.g. Beaver Commodities); and/or
    - 2) the basis of its application is incorporation from a charterparty into a bill of lading; and/or
    - 3) the incorporating clause is located on the reverse side of the bill of lading; and/or
    - 4) the bill of lading does not specifically identify the incorporated charterparty (for example by date).
  - b. The PRC Courts would not take notice of or give effect to a London seated arbitration award and/or an anti-suit injunction or other judgment issued by the High Court in England.
  - c. Nor were either of Beaver Commodities or Iguana Insurance likely to comply with an anti-suit injunction.
  - d. There was never any real prospect of enforcing a English arbitration award and/or an anti-suit injunction, nor therefore of making any or any significant financial recovery from Beaver Commodities or Iguana Insurance, or indeed any other party.
  - e. On the other hand, there were reasonable prospects of persuading the PRC Courts that the Owners should not be held liable for the damage, in particular because:

- in previous cases, the PRC Courts had found shipowners liable for similar damage by attributing the damage to wrongful ventilation and failure to take proper care of the cargo; and
- 2) there was in this case a strong basis for concluding that such had not been, and could not have been, the cause of the damage because there had been no damage, or complaint of damage, in relation to the Buenos Aires Cargo shipped at the other load port.
- f. Further, the decision was based both on experience and legal advice as to the likely approach of the PRC Courts to jurisdiction and the likely reaction of Beaver Commodities and/or Iguana Insurance to an anti-suit injunction.
- g. The foregoing will be further addressed in witness evidence in due course.
- 12. Paragraph 31 is denied. If, which is denied, the claim does not fall to be apportioned under the ICA, then the Owners are entitled to be compensated pursuant to the Implied Indemnity. The suggestion that, if apportionment under the ICA is not applicable, then the Owners are not entitled to any recovery at all, on any basis, is misconceived.
