7. Evaluation of the Proposals:

- NLSIU will conduct a comprehensive, fair and impartial evaluation of all proposals received in response to this tender submitted by the submission due date and time specified in this document. Only those proposals will be evaluated which meet the mandatory bidder qualification requirements detailed in this RFP.
- NLSIU shall evaluate the proposals received and award the contract to the Bidder whose offer is determined to best serve the interests of the University. NLSIU will be the sole judge of its best interests and its decision will be final and binding.
- Non-responsive proposals will be rejected and not be forwarded for consideration. Additionally, NLSIU may determine that documentation proposal is so inadequate that it is non-responsive. Reasons that a proposal may be deemed non-responsive include:
 - Failure to sign the proposal
 - Failure to acknowledge addenda
 - Failure to provide required documentation
 - Late submission of a proposal
 - Respondent does not meet minimum requirements
- The final selection of the Bidder will be based on techno-commercial evaluation of the proposals of the eligible Bidders. NLSIU reserves the right to accept/reject any Bid in part or full, without assigning any reason whatsoever:

8. Payment Terms: Payments shall be released based on mutually agreed milestones/stages of work, subject to verification and certification by the University Project Team.

9. Defect Liability Period (DLP): The Defect Liability Period ("DLP") shall be a period of one year the date of handover, as communicated in writing by NLSIU. During the DLP, the selected Bidder shall be responsible, at its own cost and risk, for rectifying any defects, deficiencies, shrinkages, faults, or non-conformities in materials, workmanship, or performance that may arise or be discovered, whether notified by NLSIU or otherwise attributable to the selected bidder's scope of work.

10. Warranty: The bidder shall provide a comprehensive warranty period of **2 (two) years** to be executed under this RFP.

11. In the event of delay in supply, installation, rectification, or completion beyond the stipulated timeline, liquidated damages at the rate of 0.5% of the Purchase Order per week of delay, subject to a maximum of 10% of the contract value, may be imposed by NLSIU, without prejudice to other remedies available under law.

12. In case of failure of the selected Bidder to perform the obligations under the contract within the stipulated timelines, NLSIU reserves the right to procure the goods/services from alternate sources at the risk and cost of the defaulting Bidder. Any excess expenditure incurred shall be recoverable from the Bidder.
13. NLSIU reserves the right to inspect the materials at any stage before or after delivery. Any earthing pit found defective, non-conforming, substandard, damaged, or not in accordance with specifications may be rejected and shall be replaced by the Bidder at its own cost within timelines prescribed by NLSIU.
14. NLSIU is not obligated to accept the lowest quoted rate and reserves the right to select the quotation that best meets the University's needs. The University also reserves the right to reject any or all quotations submitted.
15. The GST Registration number and PAN number of the Bidder shall be mentioned in the quotation. Quotation without this information will not be accepted.
16. No escalation of whatsoever nature shall be payable.
